

Website Disclaimer

This website is provided for informational and product SHOWCASE PURPOSES ONLY. By accessing and using this site, you agree to the terms of this disclaimer.

1. No Online Payments or Transactions

This is a static website. We do not process any online payments, and no checkout functionality or secure payment gateway is integrated. If you are ever prompted to enter credit card or banking details through this website, please **DO NOT** comply—it is unauthorized and potentially fraudulent.

2. Payment Terms

All transactions are completed via Cash on Delivery (COD), Electronic Funds Transfer (EFT), or Pay2Cell (from First National Bank_FNB). For verification and order processing, we may require your full name and a valid ID number. Payment is made either upon delivery—after the buyer physically inspects the product—or upon pickup from a designated collection point.

3. Pricing Accuracy and Corrections

While we make every effort to ensure product prices and information are accurate, errors may occur. We reserve the right to correct any inaccuracies, update pricing, and cancel or refuse orders based on incorrect listings. We will not be held liable for any discrepancies or losses arising from such errors.

4. Product Representation

All product descriptions and images are intended to be accurate and current. However, variations in condition, colour, or features may occur due to lighting, angles, or pre-owned nature of items. We are not liable for minor differences between the product image and the actual item.

5. No Warranty or Guarantee

All products are sold “as-is” unless stated otherwise. We make no guarantees regarding the performance, durability, or lifespan of pre-owned goods. The buyer assumes responsibility for ensuring the product is suitable for their intended use.

6. Limited Liability

Under no circumstances shall we be held liable for any direct, indirect, incidental, or consequential damages arising from the use of this website, including but not limited to delays, miscommunications, or the misuse of product information.

7. Third-Party Misuse

We are not responsible for any third-party communications, impersonation, or fraudulent activity using our brand name or website content. Always confirm any communication directly through our official contact methods.

8. Privacy & Security

Personal information shared for order and delivery purposes is handled with care and is not sold or shared with third parties. However, due to the nature of online environments, we cannot guarantee complete security and advise users to remain cautious.
